Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user
Common European Framework of Reference for Languages

Communication skills In my latest work experience, I had to communicate on all different levels of language skills with people from many different cultural and educational backgrounds and was always able to establish a friendly and productive work environment.

Organisational / managerial skills Working as a surveyor requires independent work in many different always changing environments. Often without specific job descriptions I worked in many different circumstances and performing to the highest of standards.

Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Proficient user	Proficient user	Independent user	Proficient user	Proficient user

Digital skills - Self-assessment grid

Learning from IT-Professionals that the difference between an IT-Professional and everybody else is the fact that the IT-Professional is better at "googling", I always tried to cultivate my expertise in using online search tools.

I have yet to encounter an IT-problem I'm unable to solve myself given ample time.
